

### 38 YEARS AND STILL GOING STRONG

In March 2019 we will celebrate 38 years as a sponsor of the USDA Child & Adult Care Food Program (CACFP). We thank all our Providers in San Diego County, Riverside County and San Bernardino County for their continued support and participation. Our team members and child care Providers have endured many changes in the program over the past 38 years. Some changes are welcome and provide more nutritious meals served and some changes create more work on both our parts. Our team is dedicated to helping our Providers understand and follow the USDA rules and regulations.

### CHILD CARE PROVIDERS ARE AMAZING

As a child care Provider you contribute to the health and safety of children while their parents are away. The nutrition education you receive while participating on the Child Nutrition Program of Southern California will benefit the children you care for throughout their lives. The nutritious meals you prepare and serve are served with love and care. We honor your contributions to the children and parents you serve.

### CLAIMING AM SNACK AND LUNCH FOR SCHOOL-AGE CHILDREN DURING SPRING BREAK

Schools may be closed in March and/or April for Spring Break. Please remember to document school out days for all children in your care during Spring Break to receive reimbursement for the additional meals you might claim. This includes all children that normally attend school and have school hours for Headstart, Preschool, Pre-Kindergarten, Transitional Kindergarten, regular Kindergarten (AM and PM), Elementary and Middle school in our database.

February 2019 reimbursement checks will be mailed in April 2019

March 2019 reimbursement checks will be mailed in May 2019

\*Checks are mailed within 5 Business days of receiving the funds from CDE

Checks for late claims are mailed when within 5 Business days of receiving the late run funds from CDE
