Dear Family, Congratulations!

Your provider has chosen to join the Child and Adult Care Food Program (CACFP). This program extends the National School Lunch program to children in Family and group child care homes. The USDA has guidelines that your provider has agreed to follow. Under the regulations of the CACFP, your provider may NOT charge you a separate fee for meals that are claimed for reimbursement, and they must supply all of the components needed to meet the requirements. In an effort to improve our Program, we periodically contact parents to provide input and to verify attendance of their children in this child care home.

I have verified that the above information is correct, and I have received a copy of this completed form.

MAKING CORRECTIONS TO AN ENROLLMENT REPORT

Enrollments must be updated when there is a change (times/days in care, school times, home address, etc.). To make a correction, print the Child's current Enrollment Report, make any corrections to the Enrollment Report with a pen, have the parent verify and sign the Enrollment Report, mail it to the office. The office team will update the child's enrollment information.

WITHDRAW A CHILD

When a child is no longer in your care, it is a good practice to withdraw the child from the program. To do this, from the My Kids screen, click on the child's name/icon, click on the red Withdraw button.

The screenshot shows a web interface for 'Stewart Little > Child Information'. At the top, there is a breadcrumb trail: a home icon, '> Stewart Little', and '> Child Information'. Below this is a search bar containing 'Little, Stewart' with left and right arrow icons. Under the search bar is a profile card for 'Little, Stewart' featuring a blue silhouette icon with 'S.L.' and a camera icon. Below the profile card is a red 'Withdraw' button. Further down, the text 'Expiration date: 09/30/2021' and 'Status: Active' is displayed. At the bottom, there is a blue link labeled 'Enrollment Form'. Two red arrows point from the left side of the page to the 'Withdraw' button and the 'Enrollment Form' link, with labels 'Withdraw' and 'Enrollment Form' respectively.

DOCUMENTING SCHOOL OUT DAYS

Document school out days for all school-age children (6 years +) and children attending Kindergarten, Preschool, and Head Start (away from the provider's home). If you serve a child on a weekday while the child would normally be in school, there is usually a reason for it. Perhaps school is out for winter, spring, or summer break. Or maybe it's an in service day. Or perhaps the child is sick, staying home from school but still attending your child care. If a child is home sick, select the "Sick" icon from the menu to the right of the child's name when recording your meals. If a child's school was out that day, select the "No School" icon from the menu to the right of the child's name when recording your meals.

Providers who do not document children's school out days will not be reimbursed for the meals claimed when the child is normally in school (usually these meals are for AM Snack and Lunch)

Or, You can use the Child's Calendar to enter this school out information ahead of time, if you like.

#1 Click on "Calendar" from the menu, **#2** select the "Child" filter, **#3** select the child, **#4** drag the "No School" label to each day the child will not be attending school

RECORD A MEAL (INFANTS)

Recording a meal is very easy. Click on the Meals tab on the left side of the screen, click on Enter Meal. Verify the date, select the Infants button, select the meal from the drop down, and verify the correct Serving Time is entered. Click on the child's name, turning the box green, this will give you the option to select the Meal Components from each of the drop down menus. This step is done for each Infant in attendance for the meal claimed. Then click on the Save button.

The screenshot shows the 'Enter Meal' interface in the KidKare system. The left sidebar contains navigation links: Home, Meals (selected), Add/Edit Menus, Schedule Menus, Food Program, Calendar, Check In/Out, Reports, Accounting, Messages, Get Help, and Logout. The main content area is titled 'Meals > Enter Meal'. It features a date selector set to '12/08/2020', tabs for 'Infants' (selected) and 'Non-Infants', a 'Meal' dropdown menu set to 'Lunch', and a 'Serving 1' time selector set to '12:00 PM'. Below these are 'Save' and 'Delete' buttons. A section titled 'Am I serving enough food?' has a dropdown arrow. Two child entries are listed: 'Allen, Jessica' (9 m) and 'Hall, William' (4 m). The 'Allen, Jessica' entry is highlighted with a green background and shows 'Infant Milk' as 'Breast Milk / Iron Fort. Infant Formula (11)' and 'Add solid foods?' as 'No'. The 'Hall, William' entry has a red background with the message 'You must have at least one food component entered' and shows 'Infant Milk' as an empty dropdown and 'Add solid foods?' as 'No'. At the bottom right, it says 'Total Meals 1' with 'Save' and 'Delete' buttons.

REVIEWING YOUR CLAIM SUMMARY AND ERRORS REPORT

It is very important that you review the codes and reasons for meals disallowed on your Claim Summary and Errors Report after the office has processed your monthly claim. It is always our goal to help our providers understand the reason for a meal disallowed, so it can be corrected in their future claims.

The office does not mail the Claimed Summary and Error Report to providers. Providers can easily view their Claimed Summary and Error Report by following the instructions below. The best time to review your Claimed Summary and Error Report is around the 12th of each month after you submit your claim. Please call the office if you have any questions.

Your reimbursement is based on the information reported on each Child's Enrollment Report. If the information on the Child Enrollment Report changes the provider should:

Print 2 copies of the existing Child Enrollment Report (DO NOT RE-ENROLL CHILDREN)

Write in the changes with an ink pen

Have the parent sign and date both copies

Mail one copy to the Child Nutrition Program of Southern California office within 5 days of the changes so the office has time to enter the new information before your next claim is submitted. Keep one copy for your records.

HOW TO REVIEW YOUR CLAIMED SUMMARY AND ERRORS REPORT ON KIDKARE

Click on the Reports tab on the left side of the screen

From the "Select a Category" drop down menu select "Claim Statements"

The form has a title 'Claimed Summary and Error - December 2020'. Below the title, there are two dropdown menus: 'Claim Statements' and 'Claimed Summary and Error'. A date selector shows 'December 2020'. At the bottom of the form is a blue 'Run' button.
