

OUR OFFICE WILL BE CLOSED ON APRIL 15TH

41 YEARS AND STILL GOING STRONG

In March 2022 we will celebrate our 41st year as a sponsor for the USDA Child & Adult Care Food Program (CACFP). We thank all our providers in San Diego County, Riverside County and San Bernardino County for their continued support and participation. Our staff and day care providers have endured many changes in the program over the past 41 years. Some changes are welcome and provide more nutritious meals served and some changes create more work on both our parts. Our staff is dedicated to helping our providers understand and follow the USDA rules and regulations.

TAX TIME IS COMING....

Your monthly reimbursement stubs are your verification of reimbursement received. If you claim online using KidKare, you are able to print your own Tax Report for 2021. Select Reports (left side) > go to the category list > select Claim Statements, on the report list, select TAX REPORT > select RUN and print.

If you use the SCAN Bubble forms and are missing a check stub, please call the office at least 2 weeks before your tax appointment. We will only mail your information to the address we have on file for you. We will not give reimbursement information out over the phone.

PHONE SITE REVIEWS

Just a reminder.... We are still doing phone call Site Reviews instead of onsite during this time, for your safety and ours. We know that you are especially busy during meal times and don't always have the time to pick up your phone. However, we ask that you understand, we must complete the USDA required Site Reviews, and we might be calling close to your meal times to document the meal you serve the children in your care.

Please answer your phone, as we are now required to do onsite mealtime Site Reviews per USDA regulations. **Providers are still required to notify the office, in advance, if you are not serving a meal or are away from home during a mealtime.**

March 2022 Reimbursement is normally issued in April 2022
Checks are issued within 5 Business days of receiving the funds from DSS
Checks for late claims are issued within 5 Business days of receiving the late run funds from DSS
